OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit asserting a claim that the defendants had failed and were continuing to fail to protect him from assault by another inmate. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice for the plaintiff's failure to file necessary financial information as ordered by this court. There are no objections to the recommendation. After an independent and de novo

review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 31st day of August, 2020.

UNITED STATES DISTRICT JUDGE
